This SASB index provides context to Ameriprise Financial's diversified business and related reporting. The disclosures are based on the industry sectors that are most relevant for our business: Asset Management & Custody Activities (that covers our Advice & Wealth Management and Asset Management businesses) and Insurance (Retirement & Protection Solutions). We do not currently disclose all metrics included in the related SASB standards; however, we will continue to evaluate our disclosures annually as we advance our reporting capabilities. All data provided here is for the year ending December 31, 2022.
