

# FEE SCHEDULE

Ameriprise brokerage accounts are subject to certain fees assessed by Ameriprise Financial Services, Inc., and its affiliates as described below. All fees are subject to change at our discretion, and other fees may apply. We will provide at least 30 day's written notice before we increase these fees, unless required or otherwise permitted by law or regulation. We reserve the right to reduce or waive these fees, at our discretion, if certain conditions are met. A current fee schedule can always be found at [ameriprise.com/brokeragefees](http://ameriprise.com/brokeragefees) or talk with your Ameriprise financial advisor for more information.

## Employee Stock Options (ESO) Service Fees

When exercising employee stock options within an Ameriprise Brokerage Account, clients will be charged a Deposit/Withdrawal at Custodian (DWAC) fee. These fees vary by transfer agent and are typically \$50 to \$250. The actual cost will be assessed by the transfer agent, and will be passed through to your account. Ameriprise Financial reserves the right to assess any applicable DWAC and wire transfer fees against your account on a pass-through basis.
