- If percentages are used, make sure the percentage equals 100% for both primary and secondary beneficiaries.
- If a Testamentary Trust is designated, please provide the article and paragraph number from the Will in the designation. The execution of this designation requires that your Will be admitted to probate and the Trustee(s) make claim for the proceeds accompanied by due proof of the trustee(s)’ appointment. In the event there are multiple testamentary trusts and the trust is not clearly identified, settlement may be delayed because a court order may be required at time of settlement.
